Firefighter's ABC's Offers a "**Free**" [Online Internship Program](#)

This is an online internship program designed to allow diverse students to participate starting at the 9<sup>th</sup> grade through the 12<sup>th</sup> grade and Post College. We strongly encourage you to include females and males equally as well as to reach out to those students that may have not shown an interest in the fire service thus far.

We also ask that you share this offer with other high schools within your local city; county, state as well as with other school contacts you may have outside your state and internationally.

[Anyone can simply join via this link.](#)

Once submitted they will receive via email the following:

- A welcome letter
- User Name – Their email address
- Pass Word – Auto generated via the site welcome letter

[Overview of Program](#)

We strongly encourage both students in current fire programs as well as those that are not in a fire program to join with a special focus on the following.

Please encourage diversity, females, at risk students, low GPA students and other youth to join.
