National Recruit Database – Online Internship Program

If you aspire to a career within the Fire Service or Emergency Medical Service Family, joining the **National Recruit Database** is one of the best things that you can do to increase your prospects for success.

Receive email alerts of upcoming application, testing and other recruitment related tips. These will come directly from the **Firefighter Diversity Recruitment Council**, a nation-wide network of fire departments.

In addition to receiving valuable tips to help you become a more qualified candidate, there are many other useful resources available at: FirefightersABCs.com, such as:

- Links to resources such as Paramedic and Emergency Medical Technician training, schools with a Fire Science programs, etc.
- Fire Service organizations that can help you through their entry-level workshops.

A very important part of your **National Recruit Database** membership is a powerful assessment tool that you can use to determine your current level of preparedness as a viable candidate. Simply fill-in the blanks to develop your personal assessment profile. A Rating Score is automatically generated as you fill-in pertinent information.

You can then make changes to determine what areas of qualifications will increase your rating to become a more desirable candidate.

This is a great way to find out what will better prepare you to become a successful recruit. As a subscriber to the **National Recruit Database**, you can save your profile and update it as your qualifications change. And, you can use this great tool in total confidence.
