

Responsibility

Responsibility - for all of your actions

Education (effort, make yourself employable)

Self-esteem - have some

Planning ahead - makes everything better

On-going for the rest of your life it never ends

Necessary tools for life - obtain them

Self-reliance - ain't nobody gonna do it for you

Impact - means making a positive difference

Birth control - think about what you are about to do

Integrity - have some

Learn - from mistakes, from others - most of all get a degree

Imagination - always striving to be and do better

Thoughtful - think through ideas; consideration of others

You - are the one to control your actions
