

When was the last time you **“TOUCHED”** someone, or two, or three?

Teach the youth of your community about a career in the Fire Service / EMS Field.

Outreach can take many forms, just use your imagination.

Uniqueness brings the best to your department, agency and community.

Chief officers should support and share this with all staff and agency members.

Her, He, Other it does not matter embrace everyone.

Education about the Fire Service and EMS Field could start as early as the 9th grade.

Diversity comes with the cultivation of many types of seeds – plant some today.
