Directions B: to be completed by organization/school/person.

We encourage Diversity in all areas including:

- **Gender: Currently we'd like to especially encourage female applicants.**
- **Age: We encourage anyone to join, but we find starting early maximizes the opportunity.**
- **Grade Level: We encourage you to think across all grade levels, and promote candidates across a range of grades, if possible. Starting with the 9th grade through and post college.**
- **GPA: Good GPAs are great, but success can transcend those measurements; target those that others didn't think to target for success.**
- **Economic/Social Background: Opportunities like a career in Fire Service or Emergency Medical Service Family can be transformational for the entire community, and especially for those whom start with fewer opportunities.**
