person. We encourage Diversity in all areas including:

- **Gender:** Currently we'd like you to especially encourage female applicants.
- **Age:** We encourage anyone to join, but we find starting early maximizes the opportunity.
- **Grade Level:** We encourage you to think across all grade levels, and promote candidates across a range of grades, if possible. Starting with the 9th grade through and post college.
- **GPA:** Good GPA's are great, but success can transcend those measurements; target those that others didn't think to target for success.
- **Economic/Social Background:** Opportunities like a career in Fire Service or Emergency Medical Service Family can be transformational for the entire community, and especially for those whom start with fewer opportunities.
