ENTRY LEVEL WORKSHOPS

Dear Friends,

We all encourage and support youth who are vying for coveted careers within Public Safety.

Please allow me to introduce an opportunity for you to assist youth in attaining the goal of becoming a member of the Fire Service, EMT, Emergency Service or Dispatch Fields.

This provides an easy way to do so while also enjoying a wonderful Maui vacation.

As many of you know, since 1999 Firefighter's ABCs has been assisting youth in attaining entry into these fields through the Firefighter's ABCs "100% Free" support tools:

Recently, the lovely Dolphin House vacation home on Maui partnered with FFABC's.

How this works:

- Contact the Dolphin House at thecabana@sbcglobal.net to make reservations.
- Please see the attached flier with photos, descriptions, seasonal rates and contact information.
- Simply mention "EMT" to receive a \$500 donation per rental.
- As this is open to anyone, please share this among your friends and family members.

Thank you for your support and consideration.

Regards,

Russell G. Hayden, Founder
